Products and Services that make East Mountain and country living THE BEST!

Not your typical home and garden type show – bringing together a wide range of items and providers that make living in the country a real pleasure and true adventure. It’s about convenience, professional services, products, and activities that are uniquely attuned to our way of life. Short break-out sessions throughout the day will offer information on relevant topics with time to ask questions, too.

Exhibitor Booth or Sponsorship reservations via Director@EdgewoodChamberNM.com or call (505) 596-0566
